

RAKHI JAIN

SOCIAL MEDIA MANAGER · PERFORMANCE MARKETING

SUMMARY

Marketing professional with hands-on experience in social media content, audience engagement, and community-driven campaigns. Background in science (BSc Chemistry & Microbiology) brings an analytical mindset to data interpretation and campaign performance tracking. Proven ability to communicate brand value, build trust with diverse audiences, and drive action developed through field sales roles and a live marketing internship.

EXPERIENCE

SOCIAL MEDIA MARKETING INTERN

Browsejobs · Bangalore

May 2026 - current

- Manage and maintain multiple LinkedIn company pages, scheduling posts, sourcing leads, and creating promotional content to grow audience engagement.
- Write scripts for video content across platforms, shaping brand messaging into engaging short and long-form formats.
- Run paid Meta ad campaigns (Facebook & Instagram), handling audience targeting and performance optimization to improve reach and conversions.
- Assist in podcast production and conduct BTS-style interviews to create behind-the-scenes content that builds brand personality

SALES REPRESENTATIVE

Vanatva · Bangalore

Feb 2026 - April 2026

- Conducted on-ground marketing for an organic products brand, acquiring new customers and driving direct sales across multiple locations.
- Consistently performed in unfamiliar settings, quickly building rapport with new audiences to pitch and close sales.
- Contributed to early-stage brand reputation building through face-to-face customer interactions and product advocacy.

SALES REPRESENTATIVE

UCCF · Bangalore

2023 - 2025

- Engaged with the public to raise awareness about UCCF's mission to support underprivileged children.
- Effectively communicated the organization's values and secured donations for food, shelter, and education.

EDUCATION
